Always a Better Experience!

14K
JAFOD

**Timeless
design**
for everyone

Meet Kubo : a range of sleek, modern, minimalist shower enclosures offering affordable, quality showering with no compromise on functionality or style.

Designed to look and feel sensational, Kubo combines hardwearing practicality with flexible, durable construction and easy manageability for everyday showering pleasure.

Whatever bathroom you have in mind, Kubo fits in beautifully.

Built around you

Unhanded Kubo side panels mean easier buying, easier planning and easier installation. They can be used with either corner entry or pivot doors to create a more flexible, spacious shower enclosure.

functional

Clear

Satin

With a huge choice of opening systems, side panels and options, Kubo fits your life perfectly. From sliding doors to pivots, quadrants and corner entry units it suits virtually any space. And a choice of glass finishes to complement Kubo's distinctive bright silver frames means you can create an enclosure to match your ideal showering experience perfectly. Built with the quality, design and performance principles you expect from Ideal Standard, every Kubo product is fully guaranteed for two years and conforms to all current EU norms.

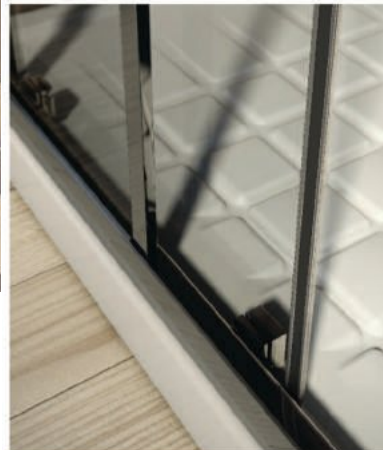

Key features of Kubo shower enclosures

These symbols appear throughout the brochure to provide a quick overview of each enclosure features:

-  **6mm** Toughened 6mm safety glass in two finishes: clear and satin
-  **Smooth Running Wheels**
Means doors glide along... with no jarring
-  **IdealClean finish**
Makes glass easier to clean - and stay clean for longer (available on clear finish only)
-  **Horizontal Adjustment**
Up to 25mm on each profile on all models (50mm for Corner Entry pack) allows perfect fitting to out-of-true walls

The clean, balanced lines of Kubo are easy on the eye. But don't let their apparent simplicity fool you: the entire range is expert-designed and built using quality materials and smart solutions. With features including unhanded doors and side panels and horizontal adjustment of up to 50mm, every Kubo shower enclosure is easy and flexible to install, use and maintain in any bathroom space.

Shower Trays

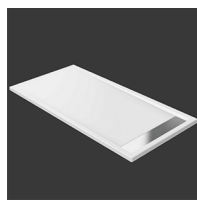

Strada & Ultra Flat

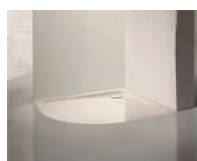

High style,
low profile

Square

Rectangular

Corner

With their sleek, low-profile design, Strada & Ultra Flat Shower trays add a touch of contemporary style to your bathroom and a real sense of space.

Choose from an extensive range of shapes and sizes to fit almost anywhere.

Complete comfort... total inspiration

functionality

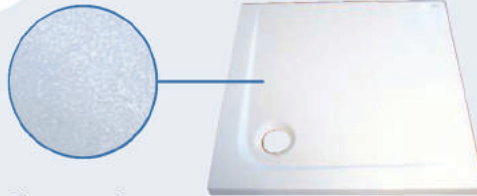

Take advantage of the low height, only 4 cm. Ultra Flat acrylic shower trays offer you easy access and enhanced comfort. Possibility for floor-recessed installation that makes the tray almost "invisible".

innovation

Optional slip-preventing pattern.
100% safety.

Soft, transparent, textured surface for enhanced grip. It's environmentally friendly, solvent-free, UV-resistant and odourless... and it doesn't even require any special cleaning or maintenance.

10 year
Guarantee

Slip-preventing pattern

Ultra Flat is available in three shapes and a variety of sizes, suitable for just about any bathroom.

The acrylic surface provides excellent grip – and its superior insulation properties keep it at an agreeable temperature.

Clean-cut design gives your bathroom a sophisticated, spacious feeling, while low-profile surfaces mean maximum functionality and comfort. Floor-recessed installation makes an Ultra Flat tray almost unnoticeable – it becomes part of the bathroom floor. Available in sizes up to 170x90 cm, they are suitable for almost any bathroom.

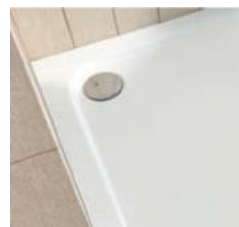

Clean-cut design gives your bathroom a sophisticated, spacious feeling, while low-profile surfaces mean maximum functionality and comfort. Floor-recessed installation makes an Ultra Flat tray almost unnoticeable – it becomes part of the bathroom floor. Available in sizes up to 170x90 cm, they are suitable for almost any bathroom.

design

Riser installation

Slightly inclined tray for optimal water evacuation plus an extra-flat plughole for enhanced comfort.
